REACH Compliance Letter

We hereby confirm that all products supplied by Koppers Performance Chemicals are in compliance with the REACH Regulation 1907/2006.

Please note that REACH is meant for registration of individual chemical substances, not for registration of products containing mixtures of chemical substances. A chemical substance is defined by a chemical name and a CAS or EC number. Therefore, in order to comply with REACH all chemical substances, contained in our products, are pre-registered/registered under REACH.

Each chemical substance, contained in our products, fulfils one of the following requirements:

- The substance is regarded as an active substance and has already been notified under the Biocidal Product Directive 98/8/EC. According to Article 15 of REACH; such substance is regarded as being registered under REACH.
- The substance is pre-registered under REACH by Koppers Performance Chemicals or by our supplier.

Companies using or selling products supplied by Koppers Performance Chemicals are not responsible for any pre-registration/registration under REACH. Koppers Performance Chemicals, as your supplier, is taking full responsibility of ensuring that all chemical substances in our products are pre-registered/registered under REACH, either by us or by our supplier.

More information regarding REACH can be found at <https://echa.europa.eu/regulations/reach>

Furthermore, we confirm that products, supplied by Koppers Performance Chemicals, do not contain any chemical substances from the "Candidate List of Substances of Very High Concern" in quantities exceeding 0.1% (w/w).

The Candidate List can be found at <https://echa.europa.eu/candidate-list-table>

Yours sincerely

Koppers Performance Chemicals
